ABSTRACT

Pipes-Water Supply and Drainage Schemes-Use of Hume pipes-Orders passed.

Education & Public Health Department

G.O.Ms.No.3659 Dated 5th November 1947

Read the following:

From the Indian Hume Pipe Company, Ltd. Madras,
Ref.No.MAS/1778/69, dated 8.4.47.
From the Chief Engineer (Highways), No.992 P.W.H/47-2
dated 17.9.47.

ORDER:

The Government accept the suggestion of the Chief Engineer (Highways) that if the Indian Hume Pipe Company can supply pipes with steel shell conforming to the B.S.S. No.534/34 for steel pipes and other conditions laid down in G.O.No.1472 Public Health, dated 9.4.40, there will be no objection to consider the use of the Hume pipes in the schemes in this province. If the Company is desirous of establishing the suitability of their pipes which do not conform to the above standard, it should examine the causes that led to the failure of its pipes in Adoni and convince the Chief Engineer, Public Works Department, that ~~the~~ the ~~failure~~ failure will not recur.
